9. Items for Discussion		
<i>a. Working Party</i>	Cllr Whitehead said he had been approached by several people who are willing to start a 'Working Party' once the Telephone box has been officially adopted. To be put in the Magazine and newspaper	Cllr Whitehead Clerk
<i>b. Bonfire site</i>	Cllr Keith Harper stated that the bonfire site from last year had not been properly cleared. Cllr Whitehead to sort	Cllr Whitehead
10. Comments from the floor		
<i>a. Residents Letter</i>	Mr Phillips was given 3 minutes to discuss his concerns. He stated that no training was necessary on how to use to the Defib. Cllr Whitehead said the item was closed as a training session had been arranged as stated earlier in the meeting. Mr Phillips said that he had spoken to a BT Engineer who told him the phone box had now been decommissioned. After discussions it was stated that nothing would be done with the phone box until official notification had been received from BT. Mr Phillips stated that he had cut the grass verge at the end of the village, but wondered why the Council didn't upkeep this verge. It was pointed out that it was the responsibility of NYCC but if a resident wanted to upkeep the verge then all good for the village, as there was various volunteers through the village who looked after the land near homes. Mr Phillips said he came on behalf of several Residents who had concerns about the village. It was suggested that if these Residents would like to attend a parish council meeting then their views would be listened to, but the Parish Councilors could not comment on other peoples views without their permission. It would like to be pointed out that anyone and everyone is welcome to come along to a parish council meeting.	
11. Planning Applications		

There being no further business Cllr Whitehead closed the meeting
Next meeting – Wednesday 14th November 2018 at 7.30pm
