Resolved: The council note the date of the next ordinary meeting

The acting Chair closed the meeting at 8:19pm

Signed.....*G. Walker*

Dated.....*8th January 2025*

Appendix A

CLlr Felicity Cunliffe-Lister Parish Report Clint : November 24

Himalayan Balsam

Highways have confirmed that they are responsible for removing this invasive species from roadside verges. It would be of assistance to them for this to be reported to them. I have asked the Yorkshire Dales Rivers Trust if their reporting system could be shared with Highways to avoid duplication of reporting.

Highways.

I look forward to discussing progress regarding the proposed speed reduction. The Chair has copied me in on the email from Area 6 of 31st October. The design for the drain repair and dropped kerb remains at design stage awaiting funding.

Youth Council

I have not reported on this for some time as I have not yet been able to secure a base in Ripon from which to co-ordinate rural groups. I am working with CLlr Brodigan on this and she has an agreement, in principle, with Outwood Academy to host a YC. Once this is place I will be able to help invite rural groups to join.

Community Partnership (Ripon)

The partnership met in Masham this month and spent most of the meeting establishing common ground in way of concerns and shared interests. These included poor public transport, lack of affordable housing and connectivity. The next stage is to form working groups who will lobby, liaise or tackle these issues. A farming representative, Mark Exelby from Grewelthorpe, has joined the group. If you would like to know who the various members are please let me know.

Connectivity

I am still waiting on the public announcement for the Gigabit delivery, to establish which dwellings are scheduled to be connected.

Council Meeting & Executive Decisions

None to report on

Locality Budget

I have been approached by several organisations for financial support, but there is still some funding available. I have made provision for split funding over this year and next to contribute towards the costs of the new speed limit, if this is proceeding.

Planning

I am not aware of any current planning issues

Primary School Admissions

Please note that parents and carers with children due to start primary school in North Yorkshire in September next year can apply for their places now.

Primary applications for children born between September 1, 2020, and August 31, 2021, must be submitted by January 15, 2025, and it is advised to list up to five schools in order of preference. Please be mindful that there have been changes in the Home to School transport policy, more information can be found here : <https://www.northyorks.gov.uk/education-and-learning/school-admissions/finding-school>

Funding

The October issue of the Rural Funding Digest has been issued and I thought this link might be helpful for anyone looking for funding : <https://rsnonline.org.uk/images/Funding-Digest/October 2024 Funding Digest.pdf>

Let's Talk Money

North Yorkshire Council is now in the second year of providing many of your local services, from rubbish collection and recycling, public health, social care and education, roads, transport and leisure services as well as support for businesses. The council has brought together the services previously provided by eight councils into one, but there is still a significant task ahead as we continue to transform services now and in the years to come.

We remain passionate about providing value for money services, and improving outcomes for local people, businesses and communities across North Yorkshire. But, like all councils, and many of you, we are facing major financial challenges. We are also experiencing ongoing increases in demand for services like adult social care and children and young people with special educational needs.

We spend about £1.3 billion every year delivering local services to people and businesses. These include:

- The collection of around 310,000 tonnes of waste from more than 300,000 properties. 45 per cent is reused, recycled or composted.
- Maintaining over 9,250 kilometres of highways and with direct responsibility for nearly 7000 kilometres of public rights of way, and over 1,645 bridges.
- Managing and maintaining 8,300 council houses
- Processing over 50,000 housing benefit changes every year.
- Providing 15,700 children and young people with special educational needs support
- Providing 26 Leisure venues, including 18 with swimming pools
- And supporting more than 3,300 children and young people via our children and families service

We want to hear from you about what is important to you and how you think we should spend the money the council has available.

There are several ways you can take part in Let's Talk Money:

You can fill in an online survey here <https://www.northyorks.gov.uk/LetsTalk>

www.clintcumhamlets.co.uk

If you would prefer, you can pick up a paper copy from your local library or [main local office](#) and return it in the envelope provided.

You can also email letstalk@northyorks.gov.uk or call **0300 131 2 131** (please say 'Let's Talk' when prompted) to request a survey.

You can write to:

Let's Talk
North Yorkshire Council
County Hall
Northallerton
DL7 8AD

Accessible formats of the survey are available on request. Please share your views with us and encourage your colleagues, friends and family to do the same. The survey closes on 9 December 2024.

Police & Crime Plan and Fire & Rescue Plan Consultation

You are invited to have your say on the York and North Yorkshire Police and Crime and Fire and Rescue Plans as part of the regional consultation on priorities in these areas for the next four years.

These plans will set the strategic direction and priorities for North Yorkshire Police and North Yorkshire Fire and Rescue Service to ensure the best service for the communities of York and North Yorkshire.

It is really important that these plans reflect local priorities and public opinions. The consultation is open for 6 weeks, from Monday 7 October 2024 until Monday 18 November 2024.

Please share your own views completing the survey at :
